NOTE. - Reports on this form to be submitted in triplicate to the Supervisor for approval.

VIRGIN - Washington County

18-415-12W R MR45W4, Burley M. Jones Well No. 20 (S. L. 053712-A),

Ref. No. 70. (FEBRUARY, 1940)

STATUS: Drg. - T.D. 660*, lime.

REMARKS: No information received of production test made during the month. Will report results in March monthly report.

VIRGIN - Washington County

12-415-12W E NEESWA, Burley M. Jones Well No. 20 (S. L. 053712-A);

Ref. No. 70. (MARCH, 1940).

XSTATUS: DST - T.D. 660', lime (Visited 3-25-40).

REMARKS: Operator undecided whether to shoot or plug and abandon without further testing. Will omit from future reports until operations are resumed.

/IRAIN - mashington County

12-41S-12W E NELSWI, Burley M. Jones, Well No. 20 (S.L.033712+4);

FEB 1942

Ref. No. 70

FEB 1941

STATUS: RMA - R.D. 660' (Visited 2-12-42)

FRMARKS: Drilling was completed in January, 1940.

Production was less than ½ bbl. daily and the well was never placed on production. Jil sands between 638' and 649'—slight showing. Notice of intention to abandon the well approved by District Engineer, December 23, 1941.

Abandonment work was completed February 12, 1942. The location was inspected on February 24, by the District Engineer, and found to be in satisfactory order. Subsequent report of abandonment was approved February 24, 1942

VIRGIN - Washington County

12-418-12W E NE45W4, Burley M. Jones Well No. 20 (S.L. 033712-A)
